

On-line Registration Welcome to St. Rose of Lima!

Please follow the directions below to complete the on-line parish registration form and email it to St. Rose.

First, you need to have Adobe Reader installed on your computer. You won't be able to use this registration feature if you don't have Adobe Reader installed, so click on this site: <http://get.adobe.com/reader/> and the link will walk you through easy installation. The Adobe Reader software is **free** to everyone!

Once you have Adobe Reader installed:

Open your browser Safari or Internet Explorer (Firefox doesn't work), type in the address bar, www.strosereno.com. When St. Rose's website opens, click on **FamilyRegistration** (left side on the homepage) and a window opens up to the registration form.

Type in your information.

In the top left corner of the form is the old floppy disc icon. Click on that to save the form to your Apple/PC. You can change the name of the registration file before you save it. If you want to print it out after saving it, click on the printer icon, also in the top left corner.

Windows Users: After saving the document, click on **File**, click on **Send** then click on **Page by e-mail**. Your email will open up with the form attached. Type srl@strosereno.com in the **To:** field and email it off to us.

Apple Users: Right click your mouse/Magic Trackpad and select **New Email with Attachment**. Your email will open up with your registration attached. Type srl@strosereno.com in the **To:** field and send it off to us.

That's it. If you have any questions, please call Cheryl at 850-2530 or email her at Cheryl@strosereno.com, Monday through Friday, 9 AM to 3 PM.

WHY DO I NEED TO REGISTER IN A PARISH?

Registration to a particular parish is required by Church Law.

Registration will give me a proof of residence. This is called a 'domicile' in Church Law.

Proof of residence (domicile) is necessary for me to have a proper pastor and exercise my rights. My 'rights' as a Catholic may only be exercised by having a proper pastor. Some of my rights as a registered Catholic are:

- 1). My right to Baptism, Confirmation, Penance, Mass, Anointing of the Sick and finally my funeral may be celebrated in my parish Church.
- 2.) My right to be a Sponsor for Baptism and Confirmation or act as a Witness for a wedding.
- 3). My right to join those parish organizations and ministries that are proper to my state in life and personal situation.
- 4). My right to have my children instructed/educated in Religious Education (formation) programs in accord with the Law of Faith and the Church.
- 5). My right to apply for any Diocesan program and/or Catholic education in conformity to the Laws of the local parish and the Diocese.
- 6). Finally, with registration in a parish, I receive residence (domicile) status in the Church. Without registration, I would have difficulty proving my status in the Church and could not be given letters and/or permissions for the above privileges.

VERY IMPORTANT!

Note: My right to these privileges is based on the assumption that I qualify for the various Sacraments, ministries, and programs with the required preparations, my own particular situation and practice of my faith according to Church Law both Universal and Particular (local Diocese).
